St. Lawrence Lodge Recognizes 5 Centenarians as Part of Canada's 150th Anniversary Celebrations

As Canada was celebrating its 150th Anniversary this past July 1 long weekend, St. Lawrence Lodge Activation Department organized a party to mark the momentous occasion, as well. As part of the Home's celebration, the Activation staff members coordinated a picture of the Home's residents who are 100 years of age and older.

A great commemorative picture is shown below with our special guests.

Care-Connect

News from Home

Since 1970, St. Lawrence Lodge has been recognized for its compassionate care and service provided to those persons entrusted to the Home's care, as well as, the accompanying comfort and peace of mind the Lodge provides to resident family members and friends.

The "new" St. Lawrence Lodge opened in 2006. Now, ten years later, the building environment, resident furnishings, and equipment are showing their age and need to be updated and replaced. However, there is no Government capital funding made available to support the needed investment.

Maintaining excellence in long term care is a continuing challenge.

St. Lawrence Lodge needs your help to maintain the excellent living environment and quality of life that our residents experience and enjoy each day.

It takes the generosity of residents, family members, employees, physicians, friends, and community businesses and organizations to help provide the philanthropic support required to provide the essential items needed for resident care and support, along with the maintenance of an aging facility.

Therefore, the St. Lawrence Lodge Foundation is seeking your support to provide the vital items needed for resident care and support.

To donate or to find out more about how you can support St. Lawrence Lodge residents, please contact Tom Harrington at 613-345-0255 ext 4106 or by email at tharrington@stll.org.
