St. Lawrence Lodge to Test Emergency Preparedness - October 17th

As noted in the September 2017 newsletter, the Lodge will be testing its emergency preparedness related to Fire and Evacuation procedures. The testing is scheduled for October 17th and will take place on 1st Floor starting around 10am. The Local Fire Authorities will be on hand to observe this important exercise. St. Lawrence College students will be substituting for our residents. Residents will be hosted in the Fire Side Lounge until the exercise is over at around 1:00pm. Family members are asked not to visit at this time in order to allow the exercise to proceed unimpeded. Thank you.

Our Vision

St. Lawrence Lodge will be a leader in providing progressive long term care.

For Residents and Family Members

The St. Lawrence Lodge Family Council respects the mission of St. Lawrence Lodge and offers support to residents, families, and staff at the Home. The Family Council advocates for all residents, families and caregivers, in particular, for those residents unable to advocate for themselves.

The Council will endeavour to become more knowledgeable about the long term care sector and the operations of the Home and it will work to educate its members and other family members of residents.

Typical Family Council Activities

- Working with St. Lawrence Lodge employees for positive change
- Sponsoring activities for residents and families
- Suggestions and advice for improvements in our Home
- Representing residents who do not have family members to help them
