Our Mission

St. Lawrence Lodge provides quality, person-centered, long term care in partnership with families and care givers and in collaboration with community resources.

Our Philosophy

We believe the atmosphere of our Home lies with those who reside and work with us. The Home celebrates resident life as it is being lived today in an environment that enables an optimal level of independence, choice, and individuality.

St. Lawrence Lodge to Test Emergency Preparedness - October 16th

The Lodge will be conducting our annual testing of our emergency preparedness related to Fire and Evacuation procedures. The testing is scheduled for October 16th and will take place on 1st Floor starting around 10am.

The Local Fire Authorities will be on hand to observe this important annual exercise. While the drill is being set-up and carried out, our Residents from that area will be hosted in the Fire Side Lounge. They will be able to return to their Resident Home Area at around 1:00pm when the full exercise is completed.

Family members are asked not to visit at this time in order to allow the exercise to proceed unimpeded. Thank you.

Hairdressing Services Permission Form Update Process

For information, the Business Office is updating resident records related to authorization for hairdressing services given the recent introduction of Forever Young Hair Care Group. This is being done to ensure that all residents have the required authorizations in place to access the on-site hair care services.

The required Permission Forms will be mailed to the responsible party with the September 2018 statements. You will only receive this if there is no current Permission Form on file. If you receive this form, we would ask you to please return it to the Business Office in a timely manner. Thank you!

ST. LAWRENCE LODGE FOUNDATION

We would like to take this opportunity to thank the families of residents who have designated In Memoriam Gifts to the St. Lawrence Lodge Foundation recently. Your support is much-appreciated, and supports the care and services of our Residents.

Every gift to the St. Lawrence Lodge Foundation is important. Resident care needs are continually changing and our Home can meet those needs through not only our many volunteers and friends, but also, through financial donations generously provided by friends of St. Lawrence Lodge.

Please consider supporting the residents of St. Lawrence Lodge in your charitable giving this year.

Your gift will make a difference for our residents.

All donations will be acknowledged and are eligible for a charitable tax receipt. From our Home to yours, thank you for your consideration!

For Residents and Family Members

The St. Lawrence Lodge Family Council respects the mission of St. Lawrence Lodge and offers support to residents, families, and staff at the Home. The Family Council advocates for all residents, families and caregivers, in particular, for those residents unable to advocate for themselves.

The Council promotes open communication. The Family Council will make suggestions and recommendations for change and improvements by being a forum for ideas and dialogue. The Council will endeavour to become more knowledgeable about the long term care sector and the operations of the Home and it will work to educate its members and other family members of residents.

Typical Family Council Activities

- Working with St. Lawrence Lodge employees for positive change
- Sponsoring activities for residents and families
- Suggestions and advice for improvements in our Home
- Representing residents who do not have family members to help them
- Providing political advocacy for improvements to the Long Term Care sector
